Policy Statement on Green Campus Initiatives

Introduction

Indira Gandhi Kala Mahavidyalaya, Ralegaon recognizes that environmental sustainability is crucial for the well-being of current and future generations and hence committed to integrating green initiatives into college campus. This policy outlines our dedication to minimizing environmental impact, conserving resources, and promoting sustainable practices throughout our college.

Objectives

- To reduce greenhouse gas emissions through energy efficiency improvements, responsible transportation practices, and the adoption of renewable energy sources.
- To promote resource conservation by optimizing water and energy usage, minimizing waste generation.
- To Promote Sustainable Products and Services
- To educate and empower employees and students to participate in our green initiatives, fostering a culture of environmental stewardship and responsibility.

Scope

This policy applies to all components and stakeholders of Indira Gandhi Kala Mahavidyalaya, Ralegaon. The scope includes but is not limited to:

- Energy consumption and efficiency
- Waste management
- Water conservation
- Stakeholder and community relations

Indira Gandhi Kala Mahavidyalaya, Ralegaon. is committed to continuously improving our environmental performance, complying with relevant environmental legislation and regulations. By integrating these objectives into our daily practices, we aim to make a positive impact on the environment and contribute to a more sustainable future for all.

The Practices

- Plastic Free Campus
- Pedestrian Friendly Pathway
- Tree Plantation Drive
- Celebration of Environment related days
- Cleanliness Drive
